Silvania organic farms

- ▶ These farms are located in Salaj county in the following localities: Maieriste, Crasna, Ortelec
- ▶ A handful of Transylvanians, with love for the green field and the gentle cows, work together in the Land of Silvania, in the villages of their childhood and strongly believe in the local people! For this, they put the grass from the hill and the sun from Transylvania in the best milk processed in the Napolact milk factory in Cluj.
- ▶ Within these farms, the activity of cultivating the plants on an area of 2200 ha in ecological system and the raising of 1200 cattle for milk is carried out.
- ▶ The plants grown on the farm are: cereals (wheat, corn), soybeans, sunflowers.

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The central text is positioned in the white space between these green elements.
