The aims of this mobility were:

- monitoring the activities of the program implemented so far,
- working on sumitting the interim report,
- adapt the project to the new e-twinning platform, verify the data in the Mobility Tool a
- schedule and plan the details of the next actions as the design is in the middle of its "life",
- plan and define the working frame for the upcoming LTT C4 in Finland 12-16 of December 2022 and getting informed by the hosts for the details of the organization of the mobility.

In parallel with the above tasks, the international team visited the Viblia Chora winery, where the participants had the opportunity to learn about the art of quality wine production and to taste excellent value wines with important certifications and distinctions at the European and international level. They also visited Agriston a modern olive mill in the Galipsos area, where they were thoroughly informed about the olive oil production process and had the experience of tasting olive oil. Finally, they visited the Olive Museum in Elaiochori and were enchanted by the autumnal beauty of the region of N. Peramos where they had lunch.

Finally, the international group did not miss a tour of the sights of Kavala, Kamares, Imaret, the monument of the Apostle Paul, the district of Panagia and went up to Kavala Castle.
