

# INNOVATIVE AGRICULTURAL TEHNIQUES TO BOOST SKILLS OF YOUNG FARMERS

Parteneriat Strategic-KA202  
2020-1-IT01-KA202-008505

Co-funded by the  
Erasmus+ Programme  
of the European Union

## *The general objective*

The development of the entrepreneurial skills of young farmers, of key and relevant professional skills for the

## *The areas of interest of the project*

student of the 6 partner schools.

What are the territorial characteristics of the soil in our area.

How I can protect the environment through agriculture?

What does innovation mean in agriculture and animal husbandry?

How do we start a successful business in the field of agriculture?

How can we control, develop and improve a business in this field.

The young farmer's start-up!
